Follow Route 13 into the City of Cortland. At the Main Street intersection Route 13 will now be called Port Watson Street. Follow to your first left (stay in left lane) take left onto Church Street. Keep going down Church Street through approximately three lights. At the fourth light take a right onto Clinton Ave (also Route 13). Go straight down Clinton Avenue to light (by Mobil Station / Kost Tire) and take a left onto Clinton Ave. Ext. (still Route 13). Directions from Moravia/Locke:

There are several routes to take to get to Route 13, but I believe the quickest way would be to take a right onto Route 281 when you get to the bottom of the hill of Route 90. Get on Interstate 81 South (past the Homer High School) and take I 81 to Exit 11. At the end of the ramp take a left onto NYS Route 13. Keep going approximately a mile. On the right will be the driveway for BOCES McEvoy Center. Follow the driveway around to the back of the building. There is a building behind the main building named the Conference Center. Your appointment will be held in that building.
