To learn more about your membership, we urge you to read *Your First Look at NYSTRS* and the *Active Members' Handbook*, which are available in the Library at [www.nystrs.org](http://www.nystrs.org). #### DEATH BENEFIT ELECTION

Each new member of the Retirement System has death benefit coverage under Paragraph 2 of Section 606 of the Retirement and Social Security Law.

The Paragraph 2 death benefit is payable if death occurs while in active service. It provides one year's salary after a year of member service, increasing each year to a maximum of three years' salary after three or more years of member service. Upon reaching age 61, the benefit is reduced at the rate of 4% per year, but will not be reduced to less than 60% of the original benefit.

Paragraph 2 also provides a survivor benefit after retirement. The death benefit in effect at the time of retirement is reduced to 50% during the first year of retirement, 25% during the second year of retirement, and 10% of the benefit in effect at age 60 (or at retirement, if earlier than age 60) for the third and future years.

### **QUESTION 1**

If you have an active membership in one of the NYS public retirement systems shown below, you may be eligible to transfer that membership to this System. A transfer will bring all of your service credit, member contributions (if any) and original date of membership to your new Teachers' Retirement System membership.

#### **New York State public retirement systems from which a transfer of membership is possible:**

New York State and Local Employees' Retirement System (866-805-0990)  
New York City Teachers' Retirement System (888-869-2877)  
New York City Board of Education Retirement System (800-843-5575)  
New York City Employees' Retirement System (877-669-2377)  
New York State and Local Police and Fire Retirement System (866-805-0990)  
New York City Police Pension Fund (866-692-7733)  
FDNY Pension Bureau Fire Department (718-999-1189)

**To request a transfer, please obtain forms and instructions from the appropriate retirement system(s) noted above.**

### **QUESTION 2**

If you are receiving a pension from any public NYS retirement system, we strongly urge you to contact that system to determine the impact any employment may have on your retirement benefit.

### **QUESTION 3**

If you held a previous membership in a New York State or New York City public retirement system, you may be eligible for reinstatement to an earlier date of membership. By answering **YES** to question 3, we will review your eligibility for reinstatement and advise you accordingly. If you are reinstated to a Tier 1 or 2 membership, there will be no cost to you and you will no longer be required to make 3.5% member contributions. However, if you are reinstated to a Tier 3 or 4 membership, there is a cost associated with the reinstatement. Once processing has been completed for your reinstatement to a Tier 3 or 4 membership, and if you meet the requirements noted below for Article 19\*, you may then be eligible to have deductions stopped. We would notify your employer to stop withholding effective **July 1 of the school year in which your payment was received in the system.**

\*Article 19 of the Laws of 2000 eliminates mandatory deductions for any Tier 3 and 4 members once the member has attained **10 years of service or 10 years of membership.**

**Note: By checking this box you are electing tier reinstatement. A tier reinstatement election is irrevocable.**

### **QUESTION 4**

You may be eligible to receive prior service credit for New York State public service (full-time, part-time, or substitute work), including NYC, if such service was credited or would have been creditable in a New York State public retirement system. Visit our Web site at [www.nystrs.org](http://www.nystrs.org) to obtain our claim and verification forms.

As a Tier 5 member, the following service is not creditable in our System:

- ◆ Out-of-state teaching service;
- ◆ Service for private or parochial schools, for the Federal government or in armed forces dependent schools; or,
- ◆ Non-public service.

After the prior service has been verified and you have earned a minimum of two years of credit under this membership, you should contact us for the cost of purchasing any allowable service. The cost will be 3.5% of the salary received during the period of verified service plus 5% interest per year.

Credit cannot be allowed for any service for which you are now receiving a benefit or for which you will be eligible to receive a benefit from any other public retirement system, or the federal government.

**Note: It is not necessary to check this box if all service was credited to a former membership AND you have elected tier reinstatement by checking box 3.**
