Colleagues:

The New York State "Pause" for the Capital District has not been officially lifted at the time of this writing, but our area has met the seven metrics in order for Phase 1 to begin. The current work arrangement will remain in place until at least June 19, 2020.

We continue to monitor COVID-19 developments. I will update you as we receive additional clarity on this fluid situation. I reiterate my commitment to you that the decision on reopening Corporate Woods to more team members will be made solely with your well-being in mind.

I ask that you continue to remain vigilant. Information on COVID-19 is available at www.coronavirus.health.ny.gov/home

Take care,
